EXTENDED CARE

OBJECTIVE: The Extended Care Program of St. Veronica Catholic School was established in January 1986 and continues to this day in order to provide high-quality, reasonably priced child care to our school families.

PHILOSOPHY: St. Veronica Catholic School Extended Care Program is an extension of the school community. It shares the same philosophy and similar policies. We strive to provide a safe, enjoyable environment for your child. We stress careful supervision and friendly interaction. We offer a variety of activities in order to make the out-of-school hours here as pleasant as possible.

HOURS OF OPERATION: We are open before school from 6:45 a.m. until 8:00 a.m. and after school until 5:45 p.m.

STAFF: Our program is implemented by our Extended Care Staff of approximately 7 qualified aides.

SNACK: In the afternoon session we provide a drink and snack.

BILLING: Billing is on a per use basis. All Extended Care payments are handled through the Smart Tuition Plan and are reflected in your monthly invoice.

RATE: The fees are \$6.00 per hour/child or portion thereof in 15 minute increments.

REGISTRATION: There is a \$35.00 registration fee per family. Every child enrolled at St. Veronica Catholic School is also enrolled in the Extended Care Program. Each family is required to fill out and return an Extended Care registration form.
